A report is submitted by the Assistant Medical Officer of Health, Circle No.2, Municipal Corporation of Hyderabad. He states that he had personally inspected the area adjacent to Union Bank of India, High Court Branch, where the public urinal is located and found that the pipeline connecting the urinal to the main drainage pipeline was damaged, and consequently there was some overflow. Steps were taken immediately in Co-ordination with the Executive Engineer, Circle No.2 by laying a new alternative pipeline, and consequently the overflow of urine due to the damaged pipeline had stopped. It has been assured that all necessary steps will be taken to keep the area clean and tidy, and to ensure that such overflow will not occur in future.

We take the statement on record and close the Writ Petition.
